BRUNTWOOD

Commercial Property Developer

Leading property company Bruntwood creates thriving cities. With over 120 properties across Manchester, Leeds, Liverpool and Birmingham, Bruntwood is creating and curating inspiring environments that help people and businesses to thrive. Bruntwood create places that are healthier, better connected, more vibrant, sustainable, inclusive and economically empowered. Places people want to live, work and play in.

126 buildings

587,904 m² total floor area

13,805 tCO₂e portfolio carbon emissions

816 employees

1 Commit

Committed to operate at net zero carbon by 2030.

2 Disclose

Disclose Scope 1 and 2 emissions through smart metering, measurement and reporting. Create implementation plan for Scope 3 emissions.

3 Act

Embedding energy efficient measures and installation of onsite energy generation/storage across portfolio while refining energy and carbon management design principles.

4 Verify

Verify performance through audit, reporting and accreditation/certification programmes.

5 Advocate

Help customers and communities become more aware of their carbon emissions and support them to take action.
